## Arizona 4-H Youth Foundation Awards College Scholarships to State Youth

Due to the current economy the Arizona 4-H Youth Foundation was only allowed to give out a limited number of scholarships. It is our hope at the Foundation that next year our scholarships will return to their usual amounts.

Our Scholarship Committee is comprised of a well-rounded group of individuals with 4-H history, education, business experience and a “give back to the community” spirit. Applicants are rated by the Scholarship Committee on financial need, ability, aptitude, grades, references, 4-H history & involvement along with completeness of applications meeting the criteria for the specific scholarships.

The following is our 2009-2010 list of recipients of endowed scholarships:
