# The Colorado River Watershed: Arizona's Water History and Future

## Professional Development for Teachers of 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grades

This workshop will focus on the history of Arizona from a water perspective; how state leaders have had tremendous foresight in water management and preparing for the future. You'll understand how history really informs present policy and science. This is content every Arizonan should be taught and understand!

### You will receive:

- 8-hours professional development credit
- The Discover a Watershed: The Colorado Curriculum Guide
- Experience integrating relevant Arizona specific content in to instruction using 21<sup>st</sup> Century teaching skills

### An Arizona Project WET Workshop

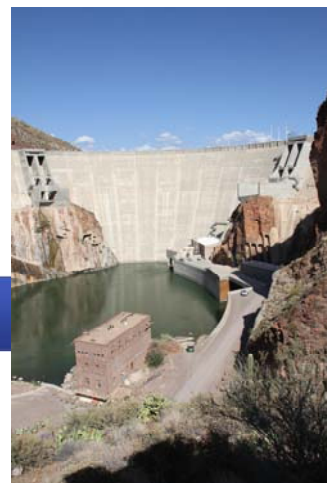

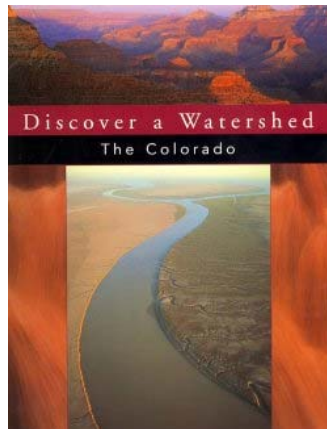

**Date:** Saturday, January 21, 2012  
**Time:** 8:30am - 4:30pm - (**Working lunch please bring your own!**)  
**Location:** UA Environmental Research Lab  
(adjacent to the airport) Directions will be sent.
