From left, Carolina Allen, Catlin Prieto, and Melanie and John Allen help plant a tree during an Arbor Day Tree Planting and Community Recognition event Saturday. The city of Kingman, [University of Arizona](#) Mohave County School Gardening Program and 4-H Youth Development hosted the event along the Airway Underpass near Airway Avenue and Andy Devine Avenue. The Clean City Commission and Kingman Parks and Recreation bought 16 trees and over 80 bushes, which were planted by about 70 volunteers and city staff. Cerbat Garden Club and Mohave County Master Gardeners helped with the event and related school activities. Kingman Mayor John Salem was there as well. Thirteen fifth-grade students were also recognized for their winning Arbor Day poster contest entries.
