

## Department of Plant Sciences – Provisional Work Plan

- At the beginning of your 1<sup>st</sup> semester, meet with your Provisional Advisory Committee for course work and rotation schedule.
- You are expected to complete your rotations within the first semester (M.S.), or first two semesters (Ph.D.).  
(M.S. two, 7 week rotations, Ph.D. two, 9 week rotations)
- Organize your Advisory committee early in second semester (M.S.) or before start of second year (Ph.D.).
- Your committee should meet annually: Spring entrance – before December 1  
Fall Entrance – before September 1 of following year

*(After completing this form with the advice of your Provisional Advisory Committee, return it to Forbes 319.)*
