

THE UNIVERSITY OF ARIZONA®

January 9-13, 2012

A one-week course

Phoenix, AZ

ARIZONA COOPERATIVE
EXTENSION

Turfgrass Education, Research, and Extension

Desert Turf School

Objective:

To provide a unique learning experience about desert turfgrass management for professional turfgrass managers. The distinctive arid climatic conditions of Southern Arizona afford an opportunity for instruction on warm- and cool-season turfgrass management, saline and desert soils, and specialized irrigation practices. Participants will receive a certificate of completion for the desert turf school and may apply for GCSAA and other professional continuing education credits.

Audience:

Golf course superintendents
Sports turf managers
School, municipal, and recreational facilities managers
Professional landscapers

Topics:

Desert Turfgrass Species (warm and cool season)
Overseeding and Transition
Desert Soils, Fertility, and Nutrition
Salinity Principles and Management
Irrigation Audits and Analyses
Disease, Insect, and Weed Management

January 9-13, 2012

A one-week course

Phoenix, AZ

Turfgrass Education, Research, and Extension

Desert Turf School

Format:

The week-long Desert Turf School will have both lecture and field demonstration sessions. The instructional format promotes interaction and dialogue between instructors and students. Classes begin Monday afternoon and continue through Friday morning, allowing for easy out-of-area travel planning. Lunches and refreshments are provided daily. The registration fee includes class materials, lunches, and refreshments during class breaks. The fee does not include other meals, lodging, travel, or incidentals.

Time and Location:

The 2012 Desert Turf School will be held January 9-13, 2012 at the University of Arizona Cooperative Extension office in Phoenix, AZ. It is easily accessible from Interstate-10, just minutes south of the airport. Daily classes are 8 AM to 5 PM.

Schedule:	Monday	Tuesday	Wednesday	Thursday	Friday
Morning	Arrival Registration	Desert Soils Charac- teristics (Walworth)	Irrigation Principles & Management (Brown)	Overseeding/ Transition (Kopec) Turfgrass Heat & Drought Stress Physiol- ogy (Pessarakli)	Insect Pest Management (Umeda) Weed Control (Umeda/ Kopec)
	Lunch Welcome	Lunch	Lunch	Lunch	Lunch Adjourn
Afternoon	Desert Turfgrass Species (Kopec) Desert Turfgrass Management (Kopec)	Turfgrass Nutrition & Soil Fertility (Walworth) Managing Desert Soils for Turfgrass (Walworth)	Irrigation Audit and Analysis: Hands-on in field (Gilbert/ Brown))	Disease Management (Olsen) Nematodes (McClure)	Departure

Accommodations:

There are several hotels within walking distance or a very short drive to classes. Hotel rooms are not included in the registration fee.

Continuing Education Credits:

GCSAA and AZ Office of Pest Management CEU's will be available for the course. Participants will receive a certificate of completion for the Desert Turf School.

Issued in furtherance of Cooperative Extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture, James A. Christenson, Director, Cooperative Extension, College of Agriculture & Life Sciences, The University of Arizona.

The University of Arizona is an equal opportunity, affirmative action institution. The University does not discriminate on the basis of race, color, religion, sex, national origin, age, disability, veteran status, or sexual orientation in its programs and activities.

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting (Kai Umeda, 602.827.8200). Requests should be made as early as possible to allow time to arrange the accommodation.
