

Soil and Site Evaluation for Onsite Wastewater Systems

This is a 2-day, **ADEQ-approved** course covering soil and site evaluation for onsite wastewater treatment systems. Successful completion of the optional course completion exam will result in your name being listed as a Registered Soil & Site Evaluator for ADEQ. The course will be conducted both in the classroom and in the field. Please bring a calculator, writing utensil and wear comfortable attire. **You must have participated in a NAWT Inspection Training & Certification workshop to attend this course.** *This course also meets the NAWT Continuing Education requirements (so you can attend this course in lieu of attending another NAWT Inspection course).* **There is a limit of 50 participants.**

When: September 29-30, 2009

Where: Roto-Rooter, 1691 E. Adams, Show Low, AZ 85901; 928-537-3123

Meeting Times: 8 a.m.-5 p.m. both days

Cost: \$300 for all registration. Registration closes September 22. Registration includes workshop, manual, exam, breaks, and lunches. Reduced fees available for state, county, and city employees, please inquire.

Multiple employees from same company qualify for 10% discount.

Policies: You must preregister and prepay fees. No onsite registrations accepted. Registration will be confirmed upon receipt of fees. Cancellations within one week of work-shop will result in half refund of fee paid.

Day 1 Agenda
