MASTER WATERSHED STEWARD CREED

I BELIEVE that learning is a lifelong process and that my success as a volunteer is proportional to the time and effort I spend in learning about Arizona's watersheds and sharing their beauty and elegance with others.

I BELIEVE in the potential of the Master Watershed Steward Program (MWS) to enrich the lives of people of all backgrounds.

I BELIEVE Master Watershed Stewards should present research-based information without bias and with courteous tolerance toward the views of others.

I BELIEVE in the right of people to make their own plans and arrive at their own decisions on natural resource issues.

Because I BELIEVE these things, I am training to become a Master Watershed Steward.

I will not use the title of Master Watershed Steward (MWS) as a part of any effort to promote legislative or regulatory measures. I will not use the title of MWS to bolster my credibility if I advocate ideas not based on scientific research. If I do so, I understand that my status as a Master Watershed Steward will be revoked.
